

# ELECTION *for* BOARD OF DIRECTORS

## UNITY CREDIT UNION LIMITED

*The election of directors will be held March 8<sup>th</sup> through 18<sup>th</sup>*

**Members: Please cast your ballot for up to four (4) candidates**

### MARTIN BERG

I taught for 31 years, which included 26 at UCHS. During my career I enjoyed being involved with my profession. I was President of the Tri-West Teachers' Association and served on a number of committees for the Saskatchewan Teachers' Federation. Nationally, I represented Saskatchewan as the Teacher Advisory Committee representative for the Teachers Institute on Canadian Parliamentary Democracy held annually in Ottawa. I am currently on the Board of Directors for the McDowell Foundation which sponsors teacher research in

Saskatchewan, and the President of the Unity Chapter for the Superannuated Teachers of Saskatchewan. As well I am a Director on the Unity Curling Club Executive. Throughout my career I enjoyed the collaborative work associated with being on executives and committees. I look forward to using the experience I gained from my previous involvement to effectively serve my community as a Board Member for Unity Credit Union.

*"I am a proud citizen of Unity and member of the Credit Union. I look forward to this opportunity and ask for your support."*

### LOIS GILBERT

I have been a resident of Unity for over 50 years, and a member of Unity Credit Union for over 45 years. I served in the Kinette Club for many years, and was a zone co-ordinator and district co-ordinator. I also served on the church board for many years, and served as Director of Secret Santa for over 30 years.

*"I would appreciate your support in election to the Unity Credit Union Board of Directors."*

### KRISTINE MOON

A year after obtaining my Bachelor of Commerce degree at the University of Saskatchewan, I accepted the position of Office Manager at the Delta Co-op in Unity. I have worked here for over 20 years and in that time moved into the position of Controller. There have been many groups and organizations that I have enjoyed being a part of. For the past 6 years I've held the position of treasurer for the Unity & District Chamber of Commerce. One of

the many benefits of living in Unity is the success of our local Credit Union, and I would like the chance to be a part of this successful cooperative.

*"To volunteer my time and experience would be a way to give back to my community and become part of a great team. It would be an honor to be chosen as a director for Unity Credit Union."*

### ANITA PARKER

I have called Unity home for 23 years. I have my designation as a Chartered Professional Accountant and work with Randy Sander CPA Prof. Corp. here in Unity. Together my husband and I have 3 children who keep us busy in the winter with hockey and in the spring/summer with baseball & softball. When time allows I enjoy golfing, curling, boating and camping with the family. I have been

a director on the Credit Union board for 4 years. I have taken part in director training sessions and have participated on various committees. As a director, I have witnessed our Credit Union meet budget expectations while also meeting and exceeding the goals set by the board in each of those years. The current renovations are a result of this continued success and I am excited to see the end result.

*"I wish to remain as a director to help contribute to the future success of Unity Credit Union for our members and for our community."*

### SANDRA WAGNER

Hi, I am Sandra Wagner. I am currently the Credit Manager at Delta Co-op. I have been with the Co-op for 14 years, and been on the Unity Credit Union board 4 years. I was born and raised in Denzil, and took my post-secondary education in Saskatoon. I want to continue on the Credit Union board as a way to develop and grow my community. Unity Credit Union supports many local business, individuals and organizations, and keeps our smaller community strong. Being on the board has given me the ability and confidence to talk in front of a crowd, take training courses, and attend conferences to learn what other credit unions across Canada are doing.

*"I want to continue on the Credit Union board as a way to develop and grow my community."*
