NOTICE TO MEMBERS: REVISED HOURS OF SERVICE

April 7, 2017 — Effective May 1st, 2017, Unity Credit Union's new hours of service will be Monday through Friday 8:30 am to 4:30 pm. As of that date, we will no longer be open Friday from 4:30-5 pm, and effective July 1st, 2017, we will no longer be open Saturday mornings. Saturday service will continue until July 1st. The new hours open our doors to members earlier and give 2 ½ extra hours of availability to members each week.

While the hours are changing, our goal remains member service. In that regard, if you require service and cannot make it in during our core office hours, please contact Unity Credit Union to make other arrangements. We will do our best to accommodate and serve you.

Throughout 2016, Unity Credit Union management consulted with staff, the Board of Directors, and members. We listened to members and took into consideration what they told us. Member lifestyles and business patterns have evolved. We feel we have to continually evolve to serve members' changing needs.

With the new hours, the doors will be open longer to members than under our current structure. This is being done to serve you in new ways. Furthermore, the new hours will complement our growing suite of technology services. As we prepare for the future, we are blending technology and personal contact to optimally serve members.

If you have any questions or concerns about our hours of service, please contact:

Gerald Hauta
General Manager
Unity Credit Union
Phone: 306.228.2688
Email: gerald.hauta@unitycu.ca

We'll always be there.
