

Unity Credit Union Pledges Donation of \$250,000

On September 10, 2011, the Unity Facilities Committee announced a major sponsorship. Unity Credit Union has pledged \$250,000 to the Committee towards the new pool project. Credit Union Board President Murray Haughian (pictured right) and Director Jay Beasse were in attendance for the announcement. President Haughian stated, "The Board of Directors of Unity Credit Union is pleased to make this contribution towards the new pool being contemplated for our community. The Credit Union's Vision is "Partnering to achieve success and build

a better community". One of our strategic intents is to be a Community Leader. We feel that our donation towards this project puts actions to our words". He went on to state that through its donation, the Credit Union hopes to inspire other organizations and individuals to contribute to the project as well. Brian Woytiuk (pictured left), Chairman of the Unity Facilities Committee said the Committee was very pleased with the donation and the support shown by the Credit Union. He stated that, "this donation represents the first naming rights sponsorship and along with other commitments raises the funds pledged to about \$1 million. While there is a long way to go to reach our goal, this is a very positive step and we thank the Credit Union for rising to the occasion". *Gerald Hauta, General Manager, Unity Credit Union Ltd.*
